

PPB Capital Partners Named One of Philadelphia's Fastest Growing Businesses for Second Consecutive Year

PPB ranked on Philadelphia Business Journal Annual Soaring 76 list

Conshohocken, PA, September 23, 2021 – For the second straight year, PPB Capital Partners, LLC, a provider of alternative investment solutions and streamlined processing for wealth advisors, has been named by the Philadelphia Business Journal as one of the fastest growing companies in the Greater Philadelphia area.

PPB Capital ranked 31st on the paper's Soaring 76 list of the area's fastest growing businesses. Last year, PPB ranked 26th on the list.

"As a native Philadelphian, it is an honor to be ranked among so many great, fast-growing companies in the Greater Philadelphia area. I am thankful to our team, our partners, and the wealth advisory community," said Brendan W. Lake, Founder, President and CEO. "PPB Capital's inclusion on this list reflects our team's hard work and long-term commitment to delivering unparalleled service and customized solutions to the private wealth community."

The rankings are based on the average percent change in revenue 2018 to 2019 and from 2019 to 2021. To be considered, companies must be independently owned, be headquartered in the Greater Philadelphia area, and have demonstrated revenue growth over the three-year period ending in 2020.
